NVA CELLAR SELECTIONS

Wine selections from our "reserve" cellar are designated in the green boxes throughout the list.

“This collection is most likely the finest wine collection in the United States and one of the greatest in the world”

-Don Zacharia, Owner “Zachys Wine Auction”

Much like the finely curated works of art in the Modernism Museum Collection, the “1921 NVA Cellar Selections” have been meticulously curated and held often for decades. Ideal conditions have been maintained in terms of provenance, temperature & humidity. As art is meant to be enjoyed, our philosophy on great wine is that it is meant to be enjoyed with great food & great friends.

Due to the boutique nature of the wines presented in this list, quantities are limited.

CHATEAU MUSAR - WHITE/RED

"Chateau Musar is one of the world's most underrated wine estates! Gaston Hochar started planting grapes in the 1930's after he spent time in Bordeaux learning how to make world-class wine. If you like old-world, rustic wines with tons of nuance and a great price to boot, this is for you!"
